Meet well.

The Rapport T-Base Conference Table features a low profile foot combined with a high knee-clearance leg designed for user comfort. The optional Power/Data Trough incorporates durable sliding doors providing access to customizable power and data, while offering storage space for shared items such as remote controls, telephones, speakers or streaming devices. The easily removable inner leg panel provides convenient wire management, and leg panels and trough doors can be specified in matching or accent colors.

Relax.

Accentuate a casual atmosphere by pairing lounge-height tables with soft seating. The low-profile of the Rapport's X-Base offers plenty of leg room. Rapport X-Base Conference Table is available in rounds from 54" to 96", and squares and squircles from 48" to 84". Tables can be ordered in seated or lounge heights. Matching-height credenzas complement the Rapport X-Base Conference Table by offering storage and media solutions.

Come together.

The Rapport Media Table features integrated storage and screen-ready capabilities. Options include a Power/Data Trough, customizable power and connection options, and leg panels and sliding doors in matching or accent laminate colors. Available with or without upper panel, with or without a cabinet, and in both seated and standing height, the Media Table can be customized to the exact needs of a workspace. Available shapes include rectangle, boat, bullet, racetrack and idea shape, and widths from 48" to 60" and lengths from 60" to 96".

Recharge.

The Rapport Island was designed to address the needs of busy, multi-use communal spaces. These seated or standing-height, informal benches are ideal for spaces such as libraries, cafes, student unions and atriums. Reinforced with steel beams, the Rapport Island is available in 32" and 42" depths, and uninterrupted spans from 60" to 120". The Rapport Island features optional integrated front-mounted USB/power apron and leg wire management.

Be neat.

The Wall Mounted Credenza provides storage solutions which can be mounted at any height. This Credenza is available in widths from 48" to 72".

The 36" tall Buffet Credenza is designed to maximize storage. It is available in widths from 48" to 72".

The freestanding Media Credenza features a finished back to allow a TV mount in an open space. It is available in 48" and 60" widths, and in both lounge and seated height cabinets.

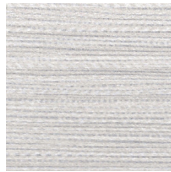

All Rapport Credenzas feature adjustable shelves, soft-close hinges, and integrated wire passages, which make storing CPUs, speakers and components simple and easy.
