Electric height adjustable frames

501-19

501-19

Stand-alone or in a group

- 501-19 Center is sturdy and compact with a symmetrical design that allows access from all sides. Add the optional 3" heavy duty locking casters and rechargeable battery and you have complete mobility without any wires.
- 501-19 Basic is excellent for grouping tables together. With 176 lbs. as maximum load it can be used with a variety of tabletops. Add casters and a rechargeable battery for additional flexibility.
- 501-19 Design lends unique style to this series with an attractive crescent shaped base, and well suited to be arranged in groups.
